Treasurer Report

- Need to keep better records about what is spirit wear vs donations vs membership when all coming in at the same time
- We are reconciled at this time
- May need to address the 5000 that we are putting in the savings if we amend the budget
- Spend 1400 to pay membership dues, then a few more things
- We have almost that amount coming in this week from Givebacks
- No fuss, spirit wear, donations -
- We have had a few corporate sponsors reach out to us so we are working on getting that organized, wanted to wait until after the no fuss fundraiser was done

- Corporate sponsorships are more a boosters thing, so need to keep it separate
- Possibly more of a sponsorship of an event (like staff dinners) than just a big sponsorship
- A sponsor for Holiday hugs would be a good thing, buy the spirit wear for it
- Nothing prevents the PTA from advertising on their website -cannot happen on the school site, but it can happen on the PTA email, newsletter, PTA sight and social media

Jessica

- Asha has a fundraising idea to pitch - her in person to explain
 - She has partnered with MakoRx and brought urgent care into local community pharmacies. She has suggested that they become a PTA affiliate (like VIC card), if they go through the affiliate website, for every appointment that happens, the PTA gets a dollar. We just put the information out there and they can just use QR code
 - Vote held about if this is something that we want to accept as a fundraiser
 - Morgan Blue motioned, Jessica seconded, unanimous vote to partner with local pharmacies as a passive income source
- As of today, we had 230 memberships
- So far we have sold 7500 spirit wear
- Spirit nights Goodberrys 136, Bella italia - still waiting, Manhattan on the 17th, Crumble cookie, Chipotle
- Considering a Milton's spirit night, new program, with gift cards - they would cost us 10 and be worth 20, but MIGHT work well if we got them as an investment in a teacher appreciation lunch, maybe have this sponsored by someone wanting to sponsor a meal/pizza for a teacher or use for teacher appreciation, raffles, other
- Krispy Kreme fundraiser - digital dozens, want our community to buy 100 dozen - end of November through December
- Quail Ridge - virtual and in store spirit night for book fair - either the week before Thanksgiving or the week of Thanksgiving - maybe try to coordinate a spirit night during that time as well to get them to the shopping center - BAC monday night that week, Also beta club induction on the 15th, Maybe Aladins
- Spirit wear - can we sell at home football games
 - Need sign up genius for volunteers

Morgan Blue

Kris Hague

- Now have a chair for reflections - Erin Hungate
- Reflections - Erin and Kris can do judging
 - Will plan a reception after the holidays
 - Need to get the information out - parents page, other media sources
 - Emily said the NCPTA site has resources for advertising
 - Post the video on our PTA site as well as the parents FB site
